

Interactive Kiosk-in-a-Box

Versatility, durability, and power. Whether for use as an information kiosk, public display, or POS station, the ViewSonic® Interactive Kiosk solution delivers everything you need—right out of the box.

With a scratch-resistant 24" touch screen and heavy-duty ergonomic steel stand, the ViewSonic Interactive Kiosk solution offers incredible flexibility and durability for high-traffic environments. What's more, the stand can be equipped with a number of add-ons* such as a printer holder, literature holder, charging shelf, wheel kit, and storage for bar code and credit card readers. It's the perfect interactive kiosk-in-a-box solution for business centers, libraries, retail environments, and more.
